

A perspective view of a disk drive assembly 10. The assembly includes a top cover 12 and a bottom cover 14. A central disk platter 30 is mounted on a spindle motor 32. The spindle motor 32 is connected to a power source 34 via a cable 36. The disk platter 30 has a central hub 38A and an outer rim 38B. The assembly is shown in a partially exploded view, revealing internal components such as the actuator arm 20, the read/write head 22, and the voice coil motor 24. Various other parts are labeled with reference numerals: 16, 18, 26, 28, 40, 42, 44, 46, 48, 50, 52, 54, and 56.
